During all summer months there are buses in short intervals (every 15 to 20 minutes) for reasonable prices (ca. 1, 80 Euro per person). After leaving the bus at bus stop number 8, you are just 30 meters away from our hotel.

**By car:** Leaving the airport building, you pass the first traffic light in direction to the big national road. You have to follow the national road E 75 to Agios Nikolaos about 15 km. You will leave the road E 75 at the village Gouves, follow the road to Gouves about 400 meters and then turn to the left and take the old national road to Heraklion. After approximately one kilometer you reach the small village Gournes, you will find the hotel Erato on the left side of the main road, just a few meters away from the big church.

**By Taxi:** Directly in front of the airport building there is a Taxi stop. Fixed charge to Gournes app. 25 Euros.

## **From the harbor:**

### **Simple and cheap (with the public bus)**

Leaving the main entrance, you turn to the left; on the opposite side you will find the central station. You can take all busses with direction to Malia or Hersonissos.

Getting off the bus, at bus stop number 8, you will see our hotel after 30 meters.

**By car:** Starting from the harbor, you turn at the first traffic light to the left and at the second one, to the right. Now you just follow the street straight ahead, pass all the traffic lights until you pass under the bridge of the new road, a few meters later you turn to the right and get on the new road E 75 to Agios Nikolaos. After 17 km you leave the new road, turning right, in direction to the village Kato Gouves. Another 400 meters later you turn left to the old road for Heraklion. After approximately one kilometer you reach the small village Gournes, you will find the hotel Erato on the left side of the main road, just a few meters away from the big church.

**By Taxi:** 30 Euro
